

SMART PHONE APP AVAILABLE

Welcome to Premium Drivers Online, your solution for secure, online, employee data. We have updated our employee website with a new mobile app which will make accessing your information on EZ WEB much more user friendly when using a smart phone. This will work for both iPhones and Android-based phones.

DOWNLOADING THE MOBILE APP

Go to www.premiumdrivers.com

Click on the three lines at the top of the right hand corner to get the drop-down menu.

Click on EZ WEB Login – If you have not already set up your account you can create a login and follow prompts to set up your account or if your account is already set up, login as normal by entering the email address you used to set up your access. Hit next.

If this is the first time you have used this device, you may get a screen to enter your answer to your security question.

Once the password screen appears enter the password you used when you set up your account and hit Continue.

Your EZ WEB account page will come up. At the bottom of the screen will be a notice: Mobile App Available!

Mobile App Available!

Click on that.

If using an iPhone the following will appear:

+ To install this WebApp on you iPhone: Tap  and then tap "Add To Home Screen" button.

Dismiss

If using an android phone, the following will appear:

+ To install this WepApp on your Android phone: Tap  and then tap "Add To Home Screen" menu option.

Dismiss

On either, following the instructions will add the Icon to your Home Screen:

Click on the Icon and login to your EZ Web account as normal – This app will allow you much easier access to your information.
